The Writer might negotiate until the 2 Parties find agreement.

Once agreed with the Proposal, the Writer will send an Invoice to the Recipient for payment to receive Production Rights and the Full Script of the Thwarted by a Page Story.

- This Full Script is not a Screenplay though it is presented in a format close to one to facilitate the task of the Editors and the Screenplay Writers.
- It elaborates scenes and dialogs in detail; specifies interior / exterior, actions, narrations, conversations, sub-texts, locations, timings, and emotions, written in "courier font size 12" - to aid the work of the Editors, Directors as well as the Actors.

It does not specify camera angles, nor lights, or music styles, neither "fade ins" nor "fade outs".
